Mrs. C. C. S. Lindsey,

Toronto.

Dear Mrs. Lindsay:

I appreciate very much the compliment that you have done me on behalf of the Toronto Women's Liberal Association in asking me to take the chair at the meeting which is to be addressed by Major Arthur Kirkpatrick on March 25. It would give me great pleasure to be with you were it not that I feel I can hardly break a rule that I have laid down since coming to Toronto not to identify myself in any way with any one political organisation. I have adhered uniformly to this rule and I am afraid that if I were to take the chair at your meeting people might imagine that I had not been as impartial as I have always endeavoured to be. Accepting your invitation might some time involve me in difficulty with regard to some other. Hoping that you will appreciate my point of view in the matter and wishing you a very pleasant evening, I am, with kind regards,

Yours sincerely,

President.
